Dear Mr. Boles:

This letter acknowledges the receipt of your notice of intent on March 9, 2012 and your March 26, 2012, request to transfer permit coverage under the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), Permit Tracking Number SOPC00228, from Marvin Yoder to Ronald L. Boles. Your permit application is for the operation of four poultry barns, each with a capacity of 7,500 layers.

Upon review of your permit application it appears that you have submitted all information necessary to transfer permit coverage. Upon receipt of confirmation that the property sale has closed, the division intends to transfer permit coverage to Ronald L. Boles; the operation name will be listed as Buncombe Farm. Once the permit is transferred you will be required to operate this facility in accordance with the requirements of the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), permit number SOPC00000.

Please note that you may be required to obtain permit coverage under the division's NPDES Storm Water Construction Permit if you do any construction that disturbs more than one acre of soil. More information regarding this permit is available online at <http://tn.gov/environment/permits/conststrm.shtml>, or you may contact the Columbia Environmental Field Office at the number listed below.

If you have questions, please contact the division at the Jackson Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Ms. Erin O'Brien at (615) 253-2245 or by E-mail at Erin.O'Brien@tn.gov.
